**LEADING ONLINE TRAVEL COMPANY RANKS ORLANDO CONDO-HOTEL  
AMONG ONE PERCENT OF HOTELS WORLDWIDE**  
*Resort Ranks #1 on Popular Travel Site for Specialty Lodging In Orlando*

ORLANDO, Fla. (July 8, 2008) – Expedia, the world's leading online travel company, has included Lake Buena Vista Resort Village & Spa on its annual list of the world's best hotels. The 2008 Expedia Insiders' Select list ([www.expedia.com/insidersselect](http://www.expedia.com/insidersselect)) represents the top one percent of hotels from among nearly 80,000 properties worldwide available on Expedia.

The condo-hotel resort also is the top recommended specialty lodging location in Orlando as ranked by TripAdvisor, an operating company of Expedia, Inc. TripAdvisor is the largest travel community in the world with more than 25 million monthly visitors, seven million registered members and 15 million reviews and opinions that cover 300,000+ hotels and attractions worldwide.

“With nearly 115,000 hotels rooms in metro Orlando where the competition ranges from Walt Disney World’s 20,000 rental units to multiple properties for the industry’s top national brands, it’s not good enough to have luxurious accommodations and a great location,” said Larry Cohen, senior vice president of Lake Buena Vista Resort Village & Spa. “To separate yourself from the pack, you have to exceed your guests’ expectations at every level. Inclusion on the Expedia Insiders Select list and earning the top spot on TripAdvisor are gratifying evidence that we are accomplishing our goals.”

“Expedia has captured the experiences of millions of hotel guests to help travelers identify the best hotels in the world for the best value,” said Paul Brown, president, Expedia North America. While the 2008 list represents a variety of hotel types and destinations, one characteristic all Insiders' Select hotels have in common is that they have been recognized by Expedia travelers for consistently delivering excellent service, a great overall experience and a notable value, according to the company.

Lake Buena Vista Resort Village & Spa ([www.LBVResortVillage.com](http://www.LBVResortVillage.com)) is one of the largest condo-hotel projects in the U.S. At build-out, plans call for a total of 1,875 individually-owned condo-hotel units and 270,000 SF of retail space. Located one mile from Walt Disney World, it offers all the amenities of a first class Orlando resort, including furnished condominiums, fine and casual dining, a fitness center, signature health spa and designer shopping featuring more than 50 factory outlet stores, including Liz Claiborne, Tommy Hilfiger, Vanity Fair and Nike.
